

In collaboration with

IFASCON 2021, KOLKATA

27th - 29th August 2021, Virtual Conference

KP Srivastava Gold Medal Award Paper

Saturday, 28th August 2021

HALL B

Timing	Presenter Name	Title
	Judges: Dr. A N Varma Dr. N K Agarwal Dr. Rajiv Chatterjee	
11:00am-11:09am	Dr. Abhishek Jain	Extra osseous talo-tarsal stabilization(eotts) for flat foot: the indian innings so far
11:09am-11:18am	Dr. Suhas Aradhya	A prospective randomised control study to evaluate the functional outcome in early mobilisation versus immobilisation of surgically treated ankle fractures
11:18am-11:27am	Dr. Kanagasarathy Krishnamurthy	Functional outcome following fixation of tibial pilon fracture using locking compression plate.
11:27am-11:36am	Dr. Vishnu Senthil Kumar	Primary end-end neglected tendo-achilles repair for defect of 7cm - a rare case with bio-mechanical analysis
11:36am-11:45am	Dr. Umesh Yadav	Fungating large recurrent plexiform neurofibromatosis of ankle and foot
11:45am-11:54am	Dr. Ankit Khurana	Expanding indications of primary arthrodesis in selected individuals for managing complex hindfoot trauma during covid-19 pandemic
11:54am-12:03pm	Dr. Sakti Das	Effectiveness of surgically treated symptomatic planovalgus by the calcaneo stop procedure according to radiological, functional and gait parameters deformity
12:03pm-12:12pm	Dr. Subhranshu Sekhar Nayak	Evaluation of results of four screw technique in ankle arthrodesis
12:12pm-12:21pm	Dr. Mohamed Ashik	Treatment of large recurrent bilateral xanthomatosis of achilles tendon- a rare case report
12:21pm-12:30pm	Dr. Vishal Patil	Extra osseous talotarsal stabilization for pes planus - A game changer ?
12:30pm-12:39pm	Dr. Ronak N Kotian	Role of a small posterior malleolar fragment in ankle stability – A biomechanical cadaveric study using an indigenously developed universal testing machine
12:39pm-12:48pm	Dr. Aditya Seth	Role of platelet rich plasma infiltration in planter fasciitis
